Roles & Responsibilities of the GCACH Leadership Council

ARTICLE VII. Leadership Council

Section 1. Leadership Council. General members participate in the GCACH through the Leadership Council. The Leadership Council is a permanent advisory committee to represent the community in the work of the Board, act in an advisory capacity to the Board, and serve as advocates for priorities in the communities from which the members come. In addition to tasks assigned to them by the Board, the Leadership Council:

- *Develops a list of priority issues to be addressed by the GCACH.*
- *Develops strategies to address priority issues;*
- *Monitor indicators of population health in the regional service area; and*
- *Monitor the performance of regional healthcare delivery systems.*

Leadership Council members may serve on workgroups established to address the priority issues identified by the GCACH.
