

NEED FATHERHOOD FOCUS GROUP MEMBERS

Dear Community Partners,

Thank you for your passion for serving fathers in our community! We are currently recruiting community leaders from Benton and Franklin counties to participate in focus groups (small discussion groups), regarding how we can better support fathers in our community. Focus groups will be facilitated by a representative from the National Fatherhood Initiative, as a part of the Fatherhood Community Mobilization Approach we are utilizing to establish a Fatherhood Initiative for Benton and Franklin counties. These focus groups will contribute greatly to the Needs and Assets Assessment for our community, which will be instrumental in planning for the next phase in this process. I have attached a document outlining the Community Mobilization Approach. Please feel free to contact me if you have any questions.

You are invited to take part in one of these focus groups There will be two focus group sessions held on February 12th, 2019 from 10:00am-12:00pm and from 3:00pm-5:00pm. You only need to sign up for one session. We are in need of 12-15 individuals for each session, and will only need one individual to participate from each agency. You may register for one of the two focus group sessions through this link:

<https://www.eventbrite.com/e/fatherhood-focus-group-for-community-leaders-tickets-55088236398>

Please let me know if you have any questions, and feel free to forward this to others you believe would be interested in participating in a focus group.
